

# Give Us a Song!

FOR CANCER RESEARCH

**DURING FIRST  
WEEKEND OF FEBRUARY**  
**Marking WORLD CANCER DAY**  
**on 4th February 2020**

Calling all choirs, singing groups, friends and  
work colleagues around the country...  
...Sing songs, shake the buckets and raise some  
much needed funds to keep the research going!

# Give Us a Song!

## FOR CANCER RESEARCH

**DURING FIRST WEEKEND OF FEB**  
**Marking WORLD CANCER DAY on 4 FEBRUARY 2020**

# HOW TO GET STARTED ANYBODY CAN DO IT!

**STEP 1**

**Decide on your date**  
Choose date that suits you best.

**STEP 2**

**Decide on your event**

Some ideas to consider:

1. A sing-song or karaoke evening at home (or club) - have a collection.
2. At work, at coffee/lunch break, get some friends together, sing a song or two, invite audience to make a donation!
3. Get permission from local shopping centre to sing a few songs and make a collection. (An obvious one for choirs but also for any group of singers)
4. On the Saturday evening/Sunday morning, church choirs could consider doing a collection for The Caroline Foundation.
5. And of course, any kind of performance in local halls, clubs, schools etc. would be fantastic! So, there's something for everyone!

**STEP 3**

**Register with The Caroline Foundation**

by emailing Helen at [giveusasong@thecarolinefoundation.com](mailto:giveusasong@thecarolinefoundation.com) giving the following details:

1. Name & Contact Details (Mobile Number and Email address)
2. Group/choir name (if applicable)
3. Event; Venue; Date; Time

Once registered, we will contact you authorising your event, adding your name to our list of approved events on our website. A pack will be sent to you including posters and fundraising protocols and how to make payment.

**STEP 4**

**Choose and book your venue**

**STEP 5**

**SPREAD THE WORD #GiveUsASong**

**STEP 6**

**Have a great event!**  
**Enjoy the music!**

## About Us – And The Caroline Foundation

The Caroline Foundation was set-up in memory of Caroline Dwyer-Hickey who was diagnosed with cancer when she was 26 years old.

Caroline was a patient of Prof. John Crown and became a pioneer for cancer research when she was among the first people here to participate in some drug trials through the Cancer Clinical Research Trust. This treatment not only extended her life but it increased her sense of well-being during those precious extra years. Caroline was a teacher, an amateur actor and an intrepid traveller. She was also a wife, a daughter and a sister. She was an advocate for cancer research and the importance of clinical trials in developing new ways to treat cancer.

Caroline passed away in 2013, nine years after she was first diagnosed.

## How Your Money Will Be Spent

The Caroline Foundation supports the work of the Cancer Clinical Research Trust (CCRT) which is dedicated to developing revolutionary new treatments for cancer. Under the leadership of Prof John Crown, the cancer research programme is based throughout a number of leading institutions in Dublin.

The money you donate to Give Us A Song! will go directly into The Caroline Foundation Fellowship for cancer researchers on the CCRT team. The CCRT is part of a global cancer research network which has made many significant breakthroughs to improve the outcome for patients with many types of cancer..

## Our Ethos

The Caroline Foundation is driven by a volunteer ethos. 100% of monies raised go directly into cancer research. We have no fees, no expenses and no administration costs.

**Thank you for your support**
